

# BREWELD - WELDERS TO THE BREWING, FOOD AND BEVERAGE INDUSTRY

## **Breweld - Welders to the Brewing, Food & Beverage Industry!**

Established in 2003 to provide a reliable efficient and flexible service to the Brewing, Food and Beverage Industries. Breweld have now applied those principles of "Customer First" service to many other Stainless Steel Industries. These include vacuum, chemical, marine and civil engineering. This service is extended further by offering a Specialised comprehensive Aluminium fabrication and welding service.

Breweld offer in-house and on-site Manufacturing combined with a 24 hour on site Maintenance Service, on both Stainless Steel and Aluminium. With our state of the art equipment and skilled tradesman we will aim to reduce the loss of production periods to our customers.

- *Specialised Hygienic/Stainless Steel/Aluminium Fabrications*
- *Comprehensive Product Range*
- *Flexibility to Meet Specific Customer Requirements*
- *Accurate Deliveries on all Manufactured Products*
- *On Site Maintenance Available 24 Hours*
- *Over Sixteen Years Experience*
- *Plasma Cutting/Orbital Welding*
